

DONATION LIST FOR THE FISHING DOCK AT THE GATES CAMP

The West Denver Chapter of Trout Unlimited and the Gates Camp of the Boys & Girls Club of America is deeply indebted to and thanks the following individuals and companies that generously donated materials for the fishing dock at Gates Camp. Without the help and assistance of the following people, this project may never have been completed nor have been as successful as it was. Trout Unlimited and the Gates Camp would greatly appreciate it if you would patronize these businesses.
